NOTIFICATION

2002 MAY 28 A 11:51

This application is before the Office of PCT Legal Administration for consideration of issues arising under 35 U.S.C. 371.

On 25 February 2002, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission included, *inter alia*, a Transmittal Letter, a declaration of the inventor, and the basic national fee. The Transmittal Letter indicates the international application number is PCT/EP99/07014. However, the title and inventor listed on the transmittal are those of PCT/EP01/07406. The declaration and assignment both indicate they are for PCT/EP01/07406. Additionally, PCT/EP99/07014 does not designate the United States

Applicant is required to file a reply to this communication resolving the above-stated inconsistency. A proper reply would include a petition under 37 CFR 1.182, including the petition fee set forth in 37 CFR 1.17(h), to correct the Transmittal Letter.

A proper response must be filed within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are available. Failure to timely file a proper response will result in abandonment of the application.

Please direct any further correspondence with respect to this matter to the Commissioner of Patents and Trademarks, Box PCT, Washington, D.C. 20231, and address the contents of the letter to the attention of the Office of PCT Legal Administration.
